PARENT'S / GUARDIAN'S CONSENT

I understand that the participation in Scouting activities involves a certain degree of risk and can be physically, mentally, and emotionally demanding. I have carefully considered the risk involved and have given consent for myself or my child to participate in this activity. I also understand that participation in this activity is entirely voluntary and requires participants to abide by applicable rules and regulations and standards of conduct. I release the Boy Scouts of the Philippines, the Local Council, the activity coordinators, and all professional staff, volunteers, related parties, or other organizations associated with the activity from any and all claims or liability arising out of this participation.

In case of emergency involving my child, I understand that every effort will be made to contact me. In the event that I cannot be reached, I hereby give my permission to the medical provider selected by the adult leader in charge to secure proper treatment, including hospitalization, anesthesia, surgery, or injections of medication for my child. Medical providers are authorized to disclose to the adult in charge examination findings, test results, and treatment provided for purposes of medical evaluation of the participant, follow-up and communication with the participant's parents or guardian, and/or determination of the participant's ability to continue in the program activities.
