**ONLINE WORKSHOP FOR SCHOOL HEADS RE: COLLECTION
OF SCHOOL SITE OWNERSHIP DATA AND DOCUMENTS**

To: Public School Heads and Principals

1. Pursuant to the Department's continuing mandate to ensure the proper collection, documentation, and validation of information relating to lands used as school sites, this Office shall conduct an **Online Workshop for School Heads on the Collection of School Site Ownership Data and Documents ("Workshop")**.
2. The Office of the Undersecretary for Legal and Legislative Affairs (OULLA) is currently facilitating the comprehensive gathering, verification, and consolidation of information and documents evidencing ownership, possession, and legal status of lands used by DepEd as school sites. This effort seeks to address existing gaps, inconsistencies, or deficiencies in documentation which may expose the Department to legal and administrative risks.
3. As its first step in data gathering, OULLA, through its Sites and Titling Office, will conduct a Workshop to be attended by all Principals and School Heads. This Workshop aims to appraise all participants as to how the ownership or possession documents of their respective schools are to be read and evaluated. Further, the Workshop will show how the comprehensive questionnaire relating to school sites information should be answered.
4. Attendance to the Workshop is mandatory as the matters to be discussed are essential to the accurate validation and timely submission of property-related records under your respective jurisdictions.
5. The Workshop shall be conducted in two batches. The **first session** will be held on **30 April 2026 at 9:00am to 12:00nn** through the **Microsoft Teams link** provided below:
