Dearest Secretary Sonny Angara,

Jaycees of Malabon has a yearly disaster preparedness activity.

Preparedness is the objective where we plan to reach all communities and stakeholders and be resilient.

Now in our 3rd year, we plan to make this more impactful by organizing an inter-organizational approach where we collaborate with different organizations to conduct a timely seminar and insightful activity that relates to preparedness, joined by Rotary Club District 3800 and JCI Metro Area. We are hoping that you can help us to disseminate the information for all the SDO in Metro Manila.
