Re: Request for School List and Activity Calendar – GFTA S.Y. 2026–2027

Dear Asec. Andaya,

Greetings from your public health & social communications partner, Redscope Communications.

We would like to sincerely thank your office for the invaluable support extended to the Gatorade Fuel Tomorrow Academy (GFTA) during its pilot implementation last year.

We are pleased to share that GFTA will continue for School Year 2026–2027, in support of DepEd's School Sports Program and learner development initiatives.

In this regard, we respectfully request your office's continued support and endorsement for the program's implementation within your region.

To support effective planning and scheduling, may we request the following:

1. List of schools with a student population of at least 1,000 learners, and
2. Their corresponding calendar of hallmark school events, such as intramurals, family days, foundation days, sports festivals, and similar activities.

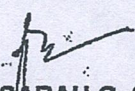

This information will guide us in identifying priority schools and aligning GFTA activities with key school events for maximum participation and impact.

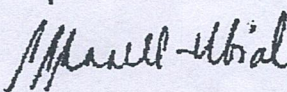

Kindly also advise on the appropriate focal person or office we may coordinate with for the submission and further alignment on implementation.

We look forward to your continued partnership in advancing learner health, sports engagement, and overall well-being.

Thank you very much.

Respectfully yours,

MS. SARAH C. COE
