DIVISION MEMORANDUM

No. 0579 s. 2026

VISION SCREENING TRAINING

To: OIC – Assistant Schools Division Superintendent
Chief Education Supervisors - CID and SGOD
Education Program Supervisors and Public Schools District Supervisors
Public Elementary School School Heads
All Others Concerned

1. For the information and guidance of all concerned, attached is a letter from Ms. Honey Grace O. Peña, Health Education Promotion Officer I, dated July 9, 2026 relative to the aforementioned subject, the content of which is self-explanatory.
2. Particular attention is invited on paragraph no. 3 and Annex A, reiterating the venue, date and time, and the list of schools invited on the said event.
3. Immediate and wide dissemination of this Memorandum is desired.

NOEL D. BACANO

July 9, 2026

MR. NOEL D. BAGANO, CESO VI
Schools Division Superintendent
Schools Division Office of Valenzuela

Dear Sir Bagano,

Greetings!

The City Health Office, through its Eye Health Program, will conduct a **Vision Screening Training** for selected school clinicians who were unable to attend the vision screening training conducted last year.

The training aims to equip school clinicians with the necessary knowledge and skills to effectively conduct vision screening among learners, thereby supporting the early detection and timely referral of students with visual impairments.

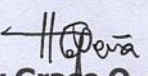

In this regard, we respectfully inform your good office that the training will be held on **July 27, 2026 (Monday), from 9:00 AM to 12:00 Noon, at Dalandanan Event Space, Function Hall 2.**

The school clinicians from the schools listed in the attached annex are hereby invited to attend this activity. Their participation will help ensure that all public schools have trained personnel capable of conducting vision screening as part of the school health program. We would greatly appreciate your support by informing the concerned school heads and school clinicians of this activity and allowing them to participate.

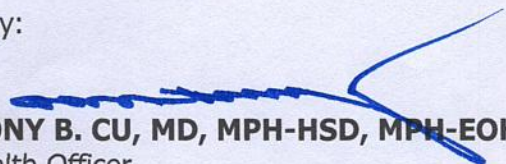

For any inquiries, you may coordinate with the City Health Office through the Health Education and Promotion Unit at 8352-1000 loc. 1110.

We look forward to your continued support and partnership in promoting the health and well-being of our learners. Thank you very much.

Respectfully,

Honey Grace O. Peña, RPm
HEPO I
