SCHOOLS DIVISION OFFICE OF VALENZUELA CITY

**Office of the Schools Division
Superintendent**

January 12, 2026

To: Public Secondary School Heads

Dear Sirs/Mesdames:

This is in reference to the attached letter from Mary Sofia Lorin L. Ilagan, Overall Head, SquEEEze 28, Electrical and Electronics Engineering Institute (EEEI), University of the Philippines Diliman, dated December 30, 2025, regarding their invitation to participate to the **SquEEEze 28: The National EEE Competition and Convention** tentatively scheduled on March 7, 2026.

For questions or concerns, please contact Mary Sofia Ilagan at 09310178183 or email at upcircuit.squeeze@gmail.com.

The participation of interested learners and teachers/coaches in the above-mentioned activity is subject to the No Disruption of Classes Policy, in accordance with DepEd Order No. 9, s.2005, *Instituting Measures to Increase Classroom Instruction Time*.

Thank you.

Very truly yours,

NOEL D. BAGANO
Schools Division Superintendent

December 30, 2025

Dr. Noel D. Bagano

Officer in Charge

Valenzuela SDO

Dear Dr. Bagano ,

UP Circuit is an academic, non-profit, and non-political organization based in the Electrical and Electronics Engineering Institute (EEEI) of the University of the Philippines Diliman. The organization aims to promote academic excellence in the fields of Computer, Electrical, and Electronics and Communications Engineering while encouraging the holistic development of its members through various activities within and outside the university.

With the tradition of promoting academic excellence, UP Circuit has been bringing together the country's top young minds in the field of Electrical and Electronics Engineering in a battle of wits and brilliance. **SquEEEze**, one of our flagship events, is the **only national intercollegiate Electrical and Electronics Engineering Competition and Convention in the Philippines**. Now in its **28th year**, SquEEEze continues to engage a wider audience through a set of events designed to challenge and inspire students.

This year's installment will once again feature a Technological Design Contest (Tech DeCon), along with an EEE Convention that includes talks, workshops and seminars by notable industry professionals. Building on the success of last year's event, **SquEEEze 28 : The National EEE Competition and Convention** will be administered face-to-face, with the **High School Quiz Bee and Tech DeCon tentatively scheduled on March 7, 2026**, and the **College Quiz Bee and Tech DeCon tentatively scheduled on March 14, 2026**.

In line with our ongoing preparations, we would like to respectfully **request a meeting** with your esteemed office to discuss a possible **endorsement memorandum from your office** in support of our upcoming initiative.

ILAGAN, LORI

To facilitate a productive discussion, we propose the following **agenda** for the meeting:

1. **Presentation of the Event Overview** - objectives, theme, and key activities.
2. **Detailed Event Information** - date, venue, expected participants, and partner institutions.
3. **Benefits and Responsibilities** - delineation of commitments and areas of collaboration between the Office and the organizing body.
4. **Endorsement or Advisory Memorandum** - discussion of possible forms of support, including endorsement status, logo usage guidelines, and recommended next steps.
5. **Social Media Promotion** - coordination on promotional support, messaging alignment, timelines, and platform usage.

That said, please feel free to **suggest a date and time most convenient for your office**. We will gladly adjust our schedule to accommodate your availability.

Should you have any questions or scheduling concerns, please feel free to contact the undersigned **Overall Head, Mary Sofia Lorin Ilagan, at 09310178183**. You may also refer to the provided **primer for additional details and guidance**.

We hope for your kind response and favorable consideration.

Very truly yours,

Mary Sofia Lorin L. Ilagan
