Dear **Mr. Bagano**,

Greetings from Humanity & Inclusion!

In our continued efforts to enhance the delivery of healthcare services to children and adolescents living with Type 1 Diabetes Mellitus(T1DM), in partnership with Humanity and Inclusion (HI), respectfully invite the DepEd focal staff and clinicians to participate in upcoming orientation on **Changing Diabetes in Children Project (CDiC) Orientation on February 13, 2026 at 8:00 AM to 12 NN, venue to be announce**. This initiative is part of a five-year program that aims to increase access to inclusive and quality healthcare for children and adolescents living with T1DM in Valenzuela City.

This half day activity aims to conduct:

1. Orientation on the Changing Diabetes in Children (CDiC) project
2. Presentation of Standard Operating Procedure (SOP) in Valenzuela (case finding, diagnosis and program enrollment and referral flow system)
3. Explore roles of clinicians in raising awareness of Type 1 Diabetes

We look forward your valuable support and participation from your health personnel in this important meeting. You may contact Ms. Gamela Ann Racho, CDiC Project Community Mobilizer, through mobile 09059167866 or email at ga.racho@hi.org, for confirmation, clarification and other related queries.

Thank you for your continued leadership and commitment to the health and well-being of Valenzuela City residents.

Sincerely yours,

MELANIE RUIZ
Country Manager
